Rentals and Tenant Information

Renting in Covengton Square has become popular. In February 2023, 18% of our units were leased by owners. As of April 2024, 25% of our units are leased. To maintain the integrity of Covengton Square, it is important to reiterate our covenant regulations ([Article IV, 5.6](#)) regarding leased units.

- All leases must be for six (6) months or longer; no short-term leases are allowed. This includes Airbnb, VRBO, etc.
- All leases must be in writing and are subject to the Covenants, Bylaws, and Rules and Regulations for Covengton Square ([our "Governing Documents"](#)).

- Per the [City of Greenville Resident Responsibilities and City Ordinances](#), no more than three (3) unrelated people may live together in a single unit.

Owners who are renting out their units, should complete the [tenant information form](#) that will go directly to the Board. It is important to know who is living in each unit in case of emergency, natural disaster, etc., but it is also important regarding use of our clubhouse facilities, gym, and pool. The COA Board will always contact owners, not tenants.

Swimming Pool and Clubhouse

The pool will officially open Memorial Day weekend on Saturday, May 25, 2024.

To maintain the integrity of our pool, please do not give the code to others who are not Covington Square residents.

Please remember that all persons using the pool do so at their own risk! There is no lifeguard on duty. Posted rules should be observed at all times. To keep both the pool and clubhouse in great shape and to ensure the safety and enjoyment of others, [please see a full list of pool rules on the Covington website!](#)

Metronet

As discussed at the 2024 Annual Meeting, the Board is working to have Metronet access for Covington Square. The Board has signed a Utility Access Agreement to allow Metronet to enter the property. The next step is for every owner (all 64) to grant personal access to Metronet to enter their respective to install fiber-optic cables. We expect to initiate the process for owner approval very soon. *Please Note* If all owners do not agree, then no owner at Covington will have the option to go with Metronet now or in the future. We must take advantage of the window Metronet has provided us to do this free of charge.

Board Meetings

The Board meets monthly on the last Wednesday of every month via Zoom at 7:00 p.m. If you would like to attend a meeting to address the Board, please send an email to the Board at least one week prior and let us know what you would like to discuss. We will respond and send you a Zoom link for the meeting.
